BARBERLAWFIRM

Robbin Rahman

Attorney, Of Counsel

Professional Experience

Robbin Rahman has over 18 years of experience helping businesses solve critical financial, operational and legal problems in a wide variety of industries. Mr. Rahman has been engaged in a broad range of business-related matters, including commercial transactions, general corporate law, corporate bankruptcy matters, secured transactions, foreclosures and business litigation. In addition, Mr. Rahman has developed a unique skill-set in the emerging cannabis industry, including both medical marijuana and industrial hemp. In this market he advises pre-license groups seeking licensing in state regulated markets; core and ancillary cannabis companies, including growers, processors, dispensaries, infused-product manufacturers; testing facilities; real estate developers and investors in a wide array of regulatory and business matters pertaining to their legal marijuana activities.
